

Children's arts & crafts competition

Lots of amazing prizes to be won!

To celebrate its annual pantomime, The Georgian Theatre Royal is running a children's arts and crafts competition based on the well-loved story of *Sleeping Beauty*. There are **four** categories:

- 1) Entries aged 6 & under
- 2) Entries aged 7 & over
- 3) The Director's Prize for the most imaginative entry
- 4) The best coloured-in poster or 2D artwork

1st prize in each category—a family ticket (up to 2 adults and 2 children) to see our legendary pantomime.

Runners up —soft toys, selection boxes and other goodies!

What do you have to do?

You can choose any of the following or even have a go at more than one activity. Ideas are given overleaf but let your imagination run wild!

- Make a model dragon
- Create a royal crown
- Construct a trusty shield
- Colour-in a pantomime poster or paint a pantomime-themed picture

Pantomime posters can be downloaded from our website at www.georgiantheatreroyal.co.uk or pick up copies from the Box Office. Make them as colourful as you can!

How to enter

Please drop off all artwork at the Theatre by **Saturday 17 November**. Make sure it is clearly marked with your child's name, age and contact details.

Dragons galore!!

Dragons have played leading roles in storybooks and fairy tales for centuries and we are delighted that this year's pantomime will feature one of the most scary beasts imaginable! Why not create your very own dragon? You can use lots of everyday household objects such as egg boxes, cotton reels, paper plates and plastic bottles and then decorate it with paint, tissue paper or pieces of fabric.

Crowning glory

All the best pantomimes have a beautiful princess and *Sleeping Beauty* features one that goes to sleep for a very long time. This is your chance to design a crown fit for royalty. Make it as simple or elaborate as you like!

Swashbuckling shields

Heroes and heroines need the right equipment to defeat evil fairies and wicked dragons. Top of the list is a sturdy shield. All sorts of materials can be used — such as cardboard or wood — and be sure to decorate it so that it stands out in battle!

Good luck with all your art projects. We look forward to seeing them!
